RECOMMENDED SYSTEM REQUIREMENTS: (Same as above but with changes below)

Pentium 3 600 MHz
64 MB RAM
16 MB Video Card

II. GENERAL TECHNICAL ISSUES

Getting Started:
Autorun:

1. Turn the computer on and start Windows 95/98/ME/XP/2000. Close any other programs that you are running.
2. Place the Cabela's 4x4 Off Road Adventure 2 CD in the CD-ROM drive and wait a few seconds for the install screen to appear.
3. Follow the on screen instructions when they appear.

Note: If the autorun feature is disabled or does not work properly, please follow one of the manual methods below.

Manual Installation Method One:

1. Turn the computer on and start Windows 95/98/ME/XP/2000. Close any other programs that you are running.
2. Place the Cabela's 4x4 Off-Road Adventure 2 CD in the CD-ROM drive.
3. Click on [Start] and then click on [Run].
4. Type the letter of your CD-ROM drive (usually "D") followed by a (:) and the word SETUP. Then Click the [OK] button. (Example D:Setup)
5. The install screen will appear. Follow the on- screen instructions to begin the installation.

Manual Installation Method Two:

1. Turn the computer on and start Windows 95/98/ME/XP/2000. Close any other programs that you are running.
2. Place the Cabela's 4x4 Off-Road Adventure 2 CD in the CD-ROM drive.
3. Double-click on the [My Computer] icon from your desktop.
4. Double-click on the CD-ROM icon labeled [CORA2].
5. Double Click on the [Setup] icon.
6. The install screen will appear. Follow the on-screen instructions to begin the installation.

Getting Started after Installation:

1. Place the Cabela's 4x4 Off-Road Adventure 2 CD in the CD-ROM drive.
2. Click on [Start], then select [Programs].
Select Activision Value/ Cabela's 4x4 Off-Road Adventure 2/ Cabela's 4x4 Off Road Adventure 2 to start the game.

Manual Uninstallation Method:

1. Click Start, point to Settings, and click Control Panel from the menu that appears
2. Double-click the "Add/Remove" programs icon from the window that appears.
3. From the list, select the Cabela's 4x4 Off-Road Adventure 2
4. Click the Add/Remove button.
5. The uninstaller program will now begin and uninstall the game.

WARNING: Please make sure that Cabela's 4x4 Off-Road Adventure 2 CD is inserted in your CD-ROM drive before launching the game. You can play Cabela's 4x4 Off-Road Adventure 2 only if the Cabela's 4x4 Off-Road Adventure 2 CD is in drive.

WARNING: On Windows 95 OSR2 make sure you have installed the Winsock2 update from Microsoft web page on

http://www.microsoft.com/windows95/downloads/contents/wuadmintools/s_wunetworkingtools/w95sockets2/

Winsock2 is trademark of Microsoft Corporation.

DRIVER ISSUES

Make sure you've installed DirectX 8.0a or later on your computer. The latest version of DirectX on the CD in the 'DirectX 8' folder.

Make sure you have installed the most recent drivers for all your hardware before playing Cabela's 4x4 Off-Road Adventure 2.

SOUND PROBLEMS

Check SOUND OPTIONS in OPTIONS MENU.

III. 3D HARDWARE ISSUES

Make sure that you have the DirectX 8.0a installed on your computer.

You can download DirectX 8.0a from: <http://www.microsoft.com/directx/>

Make sure that you have the latest chipset driver for your video board.

You can download the latest driver from the chipset manufacturer web site:

<http://www.3dfx.com/>

<http://www.3dlabs.com/>

<http://www.ati.com/>

<http://support.intel.com/support/graphics/>

<http://www.matrox.com/>

<http://www.nvidia.com/>

<http://www.powervr.com/>

<http://www.s3.com/>

Overclocking issue:

Overclocking video card at a clock and / or bus speed that is beyond the manufacturer specifications can cause games to frequently freeze or crash. We recommend not to use processor or video board overclocking.

V. CONTACTS AND HELP

You should read through the manual and the readme file on the CD before contacting Activision Value Customer Support. Additionally, if you have internet access, check out our website at: <http://www.activisionvalue.com/>

Please ensure that your computer system meets the minimum system requirements that are listed on the bottom of the box. Our Customer Support representatives will not be able to help customers whose computers do not meet the requirements. So that we can better help you, please have the following information ready:

- Complete product title (include version number)
- Exact error message reported (if any) and a brief description of the problem
- Your computer's processor type and speed (e.g. Pentium 200 MHz)
- Amount of RAM
- Make and model of your video and sound card (e.g. Diamond Viper V770, Creative Sound Blaster Live Platinum)
- Make and model of your CD-ROM or DVD-ROM drive (e.g. Samsung SC-140)
- Operating System

NOTE: Please do not contact Customer Support for hints/ codes/ cheats; only technical issues.

NOTE: Support is handled in English only.

Internet:
<http://www.activisionvalue.com>

Our support section of the web has the most up-to-date information available including patches that can be downloaded free-of-charge. We update the support pages daily so please check here first for solutions.

NOTE: You must be at least the age of 13 years old in order for us to assist you when contacting Customer Support.

E-Mail:
support@activisionvalue.com

The best way for you to help us aid you is through the use of the E-Mail Support. You can e-mail us directly at the above address. Please ensure that you include all of the bulleted information asked above for the computer you are running the program from when e-mailing. A response may take anywhere from 24-72 hours depending on the volume of messages we receive and the nature of your problem. During the first few weeks of a game release and during holiday seasons the response time may take a little longer.

NOTE: The multiplayer components of Activision Value games are handled only through internet/ e-mail.

Phone:
(952) 918-9500

You can call our 24-hour voice-mail system for answers to our most frequently asked questions at the above number. Contact a Customer Support representative at the same number between the hours of 9:00 am and 5:00 pm (Central Time), Monday through Friday, except holidays. When calling please make sure you are in front of your computer with the power on and have all the necessary information as listed above at hand.
