INTRODUCTION

Every year, surfers from all over the world travel to Pen Gu Island to participate in the biggest surfing competition of all: Reggie Belafonte's Big Z Memorial Surf-Off. Taking place in various surf spots around Pen Gu, the competition is only open to the cream of the crop. Contestants are expected to surf in all conditions: at night, during a storm, between icebergs…not even a volcanic eruption will stop them! However, one thing stands between these contenders and victory: Tank, the nine-time champion, ready to do whatever it takes to stop any challenger who might stand between him and that 10th trophy. What kind of surfer are you? A wave-ripper, going for the glory? Or a mellow, "enjoy the ride" type of surfer? One thing's for sure, by the end of this competition, you'll be a true Surf Legend!

• To perform a floater, hold the Shift key near the wave's lip.

SPEED BOOST

- Stoke tricks have greater air time and faster execution and provide additional points.

COMPLETING OBJECTIVES

- Each surfing spot has unique objectives. Completing them lets you progress in the championship. They may also give you rewards!
