### About This Guide

Welcome to the *3-D Ultra Pinball: Creep Night* Installation Guide. This booklet shows you how to get the game installed and running.

For detailed game play information, read the On-Line Manual. You can open this built-in help system any one of four ways. If you are running the game, click on the *How To Play* gravestone on the opening screen. You can also click the Help icon or choose Online Manual from the Help menu from anywhere in the game. If you are not running the game, you can double-click on the PB2 Help File from the root directory of the *3-D Ultra Pinball: Creep Night* CD.

# Installing and Starting the Game

## **Additional Setup Help**

During installation, an automatic TEST SYSTEM program checks to make sure your computer meets the requirements for running the game. If you have trouble installing or starting *3-D Ultra Pinball: Creep Night*, first click the SUPPORT button on the Setup screen. Then click CONTENTS to find help on your specific system component or problem. If you need more help, check the On-Line Manual file by double-clicking on PB2.HLP in the root directory of the *3-D Ultra Pinball: Creep Night* CD. There you'll find information on Technical Support and Customer Service.

After game installation, the "Setup" program in the Sierra program group or folder lets you re-install the game, register the game, view a read me file, re-test your computer, uninstall the game, view detailed Support and Setup Help information, or visit the Sierra On-Line web site.

To start Setup after the game is already installed, just double-click on the Setup icon in the Sierra program group or folder.

## **One-Click Access to Sierra Web Page**
