

The Software Toolworks® Presents...

CAPITOL HILL

MPC CD-ROM Version Quick Start Card

Capitol Hill is an exciting peek at the job of a Representative in the United States Congress. You've been elected to represent your State! Fly to Washington and get settled in your office. Then cast your vote on important issues that affect your home state, the country, and the world!

SYSTEM REQUIREMENTS

- IBM® PC 386DX-25 or compatible required (486DX-33 or faster recommended)
- 4 MB of RAM
- Super VGA video adapter (640x480, 256-color resolution) and color monitor
- MPC-rated sound card
- MS-DOS 5.0 or higher
- Windows™ 3.1 or higher
- MSCDEX 2.2.1 or higher
- MPC-compatible CD-ROM drive (at least 150 KB/sec sustained transfer)
- Microsoft® mouse or 100% compatible
- 5 MB free on hard drive

INSTALLATION

To install a Capitol Hill icon and program group on your hard drive:

1. Turn on your PC and CD-ROM drive.
2. Put the CD-ROM disc in your CD-ROM drive with the label side up.
3. In Windows, choose the **File Manager** (usually in the Main Window).
4. Choose the button that matches your CD-ROM drive, such as **D**. A list of directories and files appears.
5. Double-click the **INSTALL.EXE** file. Follow the onscreen prompts to load the appropriate QuickTime files, program group, and icon onto your hard drive.
6. When the install is done, click **OK** or press **Enter**.
7. At the prompt, choose **Yes** to view the Read Me file or **No** to skip it.
8. Reboot your computer to update your AUTOEXEC.BAT file.

RUNNING CAPITOL HILL

1. Turn on your PC and CD-ROM drive.
2. Put the CD-ROM disc in your CD-ROM drive with the label side up.
3. Run Windows.
4. Double-click on the Capitol icon.
5. To begin Capitol Hill, click one of the buttons on the screen, either **Introduction** or **Begin Program**.

MOUSE ACTIONS

Click the mouse to do the following:

- Choose an opening screen command button, including:
Introduction – Hear about how to use the program and the Personal Digital Assistant (PDA).
- Begin program – Explore our Nation's Capitol.
- Open the Personal Digital Assistant (PDA)

CHOOSE ANY PDA COMMAND BUTTON, INCLUDING:

- | | |
|--------------|--|
| First Day | Get sworn in, meet your peers, and pick your office. |
| Orientation | Get an overview of Congress, its rules, and standard operating procedures. |
| Your Office | Visit your new office and get acquainted with its features. |
| Capitol Tour | Take a walking tour around the Capitol Building. |
| Power Play | Test your political savvy and play a dice game to become Speaker of the House! |
| Terms | Scroll through a list of definitions and study them. |
| Help | Get Help on using the PDA. |
| Exit | Quit and return to the Desktop. |
| Put Away | Minimize the PDA to an icon and return to previous screen. |

You can click an amazing number of onscreen features to explore Capitol Hill:

- First Day Click a sign over a doorway to take your Oath of Office, get to know other members of Congress, or pick your new office.
- Orientation Click on a topic to learn about Congress—everything from its organization, to how a bill becomes law.
- Your Office Click the objects on your desk to see a blueprint of your office, review budget information, answer the telephone, review your calendar schedule, refer to information files, or contact other members of Congress.
- Power Play Click Start to begin the scramble for power.
- You can also click these other icons when they appear at the bottom of your screen:
 - Telephone – Listen to your messages.
 - Gavel – Vote on important issues.
 - Envelope – Read mail from your constituents.

If you want to stop a movie or narration, just click the mouse.
