UBISOFT™

WARRANTY

Ubisoft warrants to the original purchaser of its products that the products will be free from defects in materials and workmanship for a period of ninety (90) days from the date of purchase. Ubisoft products are sold "as is," without any expressed or implied warranties of any kind, and Ubisoft is not liable for any losses or damages of any kind resulting from use of its products. Ubisoft agrees for a period of ninety (90) days to either replace defective product free of charge provided you return the defective item with dated proof of purchase to the store from which the product was originally purchased or repair or replace the defective product at its option free of charge, when accompanied with a proof of purchase and sent to our offices postage prepaid. This warranty is not applicable to normal wear and tear, and shall be void if the defect in the product is found to be as a result of abuse, unreasonable use, mistreatment, or neglect of the product.

Limitations: This warranty is in lieu of all other warranties and no other representations or claims of any nature shall be binding on, or obligate Ubisoft. Any implied warranties applicable to Ubisoft products, including warranties of merchantability and fitness for a particular purpose, are limited to the ninety (90) day period described above. In no event will Ubisoft be liable for any special, incidental, or consequential damages resulting from possession, use, or malfunction of Ubisoft products. Some states do not allow limitations as to how long an implied warranty lasts and/or exclusions or limitations of incidental or consequential damages. So the above limitations and/or exclusions of liability may not apply to you. This warranty gives you specific rights, and you may also have other rights that vary from state to state.

Notice: Ubisoft reserves the right to make improvements in its products at any time and without notice.

Refunds: Ubisoft cannot provide refunds or otherwise process returns for credit of any kind other than an identical product replacement. Any product refund request must occur at the place of purchase, as the individual retail outlets set their own refund policy. This policy covers identical product replacements only.

Product/Documentation Replacements: Please contact a Ubisoft Technical Support Representative directly before sending your product to us. In many cases, a replacement is not the best solution. Our Support Representatives will help you determine if a replacement is necessary or available. You will need to first acquire an RMA (Return Materials Authorization) number to process your return or replacement. Without an RMA number from a Support Representative, your replacement request will not be processed.

If we determine a return or replacement is necessary:

Within the 90-Day Warranty Period: Please return the product (media only) along with a copy of the original sales receipt, showing the date of purchase, a brief description of the difficulty you are experiencing including your name, address (no PO boxes) and phone number to the address below. If the product was damaged through misuse or accident (cracks, scratches), or if you do not have a dated sales receipt, then this 90-day warranty is rendered void and you will need to follow the instructions for returns after the 90-day warranty period.

After the 90-Day Warranty Period: Please return the product (media only) along with a check or money order for the amount corresponding to your product (see replacement fees below) made payable to Ubisoft, a brief description of the difficulty you are experiencing, including your name, address (no PO boxes), RMA number, and phone number to the address below.

Welcome to Catz!

What Are Catz?

Catz are virtual Petz that live on your computer. Catz scamper across your desktop, play in their home Playscenes, travel and explore far-away Playscenes, and frolic in Playscenes that you make especially for them. Breed them, play with them, feed them, and love them! You can adopt as many Catz as you want - as long as you take care of them all!

Check out www.petz.com for the latest Petz info!!

And don't forget, your Catz and Dogz can play together!
More breedz, more Toyz, more fun!

Getting Started

Catz 5 comes with 15 breedz of Catz. Different breedz have different personalities, but every Catz is unique! Every Catz has individual likes and dislikes.

Left-click with your mouse and hold the button down to pet Catz and pick up Toyz. Right-click and hold the button down over a Catz to pick it up and carry it. Double left-click to call your Catz over to you. Left-click on the Pick a Pet

button on the Adoption Center to see all the different breedz of Catz. Once you find that special Catz, you can adopt it by clicking on Adopt Now. Use your Supply Case to carry Toyz and supplies. To visit Playscenes, select Go To. Click Pick to choose which Catz to play with and take pictures of, and to view your Catz's Petz Profiles. Put your Catz in front of the Petz door to put them away. Remember to only adopt as many Catz as you can care for ... neglected Catz will run away.

Catz Care

Necessities

Catz need love and attention, water, food, and regular brushing.

When your Catz get sick, add Medicine to their food or water.

Water

Catz also need regular play and exercise - especially if they eat too much. Catz can become overweight.

And, don't forget to give them tasty Treatz when they've been good and to discourage naughty behaviors with a squirt from the Squirt Bottle. You can hold Treatz above, below, or to the sides of your Catz and give your hand cursor a little wiggle. Your cursor will give a little whistle and a hand gesture if you do it right, and your Catz will try to do a trick. Repeated rewarding of tricks you like will train your Catz to do them.

Toyz

Your Supply Case comes with an initial assortment of Toyz and supplies for your Catz to get you started. As you go to different Playscenes, you will find more Toyz! When you place these items into your Supply Case, you can then take them anywhere and always have as many as you want!

You can get even more Toyz and items when you win at the Mini Games! There are over 100 Toyz to find and win: Balls, Treatz, and Pillows to relax on. And there are also collectibles from your Catz's travels - Exotic Jewels and Carpets, Doubloons, a Flea Circus, and more.

Playscenes

Clothing & Accessories

Dress your Catz in stylish clothing and accessories.

In the Salon, you will find a wardrobe full of clothes and accessories. Left-click on an item you want and drag it from the closet. You can also drag the clothing on and off your Petz, but only when you're in the Salon. If you put paint on your Catz or the mice and want to remove it, you can give them a bath!

Soapy

Mini Games

Learn the ancient art of agility from Monkey at the Dojo in the Asian Temple. If you train hard to learn his teachings, he'll reward you!

In the Wild West, a Prairie Dog has moved in and he's challenging you and your Petz to a game of Tic-Tac-Toe! Claim your squares by dropping your Catz onto them when it's your turn.

Mr. Bonez loves music and wants your Catz to help him compose. Get your Catz to touch the colored tiles in the order they light up to receive thank you gifts from Mr. Bonez!

The Magic Book in the Fantasy Castle loves a good game of Rock-Paper-Scissors against the Suit of Armor, but he needs your help to decide among the choices.

A silly Cobra and his horde of Scarab Beetles have infested Arabia! Can you and your Catz catch them all and bring peace to the oasis?

Can you keep your Catz happy? When you feed and play with Catz regularly, take them to their favorite Playscenes, and treat them well, you'll earn a Happy Pet certificate that you can print as proof of your fabulous pet care talents!

With Catz 5, your Catz can frolic in their home Playscenes - such as the Kitchen, Backyard, Salon, and Nursery - or they can travel to the Adventure Playscenes. Go sledding in a Canadian Snow Scene, do tricks under the Big Top in the European Circus Scene, play against a Prairie Dog in the spooky Wild West ghost town, catch Scarab Beetles in an Arabian palace, and discover pirate treasure on a South Seas Island.

Each Playscene comes with its own Toyz. Some Playscenes have more Toyz for you to discover when you return or stay longer.

Each of the five travel scenes has a Catz Host with whom your Catz can play. These Hosts live in the environment and love having guests over!

Create Your Own Playscenes

You can create your own Playscenes for your Catz! Select Editor on the Go To menu and follow the step-by-step Playscene wizard. If you are confused, click on the Help menu bar item and read about the Editor in Online Help.

Have Fun! Create! Take pictures of your home and other favorite places with a digital camera and use the BMP or JPEG for your Playscene background! Take pictures and scan them into your computer - or create your own picture using your favorite paint program!

Create Your Own Carrying Case

Now you can customize the look of your Carrying Case! Inside your Petz folder on your hard drive is the Skinz folder. Within is a template that you can modify with the paint program of your choice.

Simply keep your art for the buttons restricted to the sizes in the template and everything positioned on the template where you found it. Petz will need your Skinz files to be 24-bit BMP files. (More detailed information is available in the Skinz Instructions document included in the Skinz folder.)

You can create new art for all three states of the Carrying Case as well as for the buttons. However, you cannot change the art of the red door that your Catz come in and out of.

You can change between various Skinz using the File menu.

Catz Families

Your Catz can have Kittenz! You need to have a female Catz and a male Catz who are in love. You'll know your Catz are in love when they groom each other, follow each other around, and bring each other Toyz and Treatz. You can set

the mood and help Catz fall in love with special Aphrodisiacs such as the Heart Pillow, the Perfume, the Love Potion, the Music Box, and the Heart Candy. Go to the Petz

Petz Profile

Profile by clicking on the pink or blue Catz icon on the Carrying Case. Here you can view the statistics of your Catz and see up to eight generations of your Catz's Family Tree.

Petz Player

With the Petz Player you can play with your Catz and other Catz online. Catz 5 automatically installs the Petz Player on your computer. Go to www.petz.com to play with some Petz online, or you can create your own web page using the Live templates in the Petz Publisher.

Tips!

Day & Night Cycles

In the General Options menu, you can adjust the frequency of the Night Cycle. Setting it faster than real-time does not mean your Kittenz will grow faster.

How Petz Grow

Each day you run the Petz program, your Petz will grow a bit (until it reaches full size). However, if you leave your program running overnight, this will not automatically happen. You must restart the game each day. Kittenz become Adult Catz in approximately three to four days. Catz do not get old or die. When your Catz have a litter, Newborns become Infants in two to three days. Newborns become Kittenz in seven days.

Welcome to Dogz!

Pregnancies

Careful! When you cheat with your computer's calendar to speed up the birth of your Kittenz, the mother will become stuck in her pregnancy status. If this happens, there is no way to fix it! Be patient - don't do it!

Toyz

You can bring all the Toyz and objects you find in Catz 5 with you everywhere you go! When you find a new Toyz or win one in a Mini Game, simply drag it to the Toyz Shelves to keep it with you anywhere you go.

Importing Petz

If you have Catz on your computer from earlier versions, you can import them into Catz 5 through the File menu.

Unicorn Plush Toy

Runaways

If any of your Catz run away, they may be found and turned in to the Adoption Center! Check the Message Board next to the building for any notes that your Catz was found. If your Catz runs away, you will only get one more chance to be a good Catz owner. Your Catz depend on you for their care and happiness!

Spider Cookie Treatz

Hexies

Some fans modify the files in the game and offer them for downloading on their fan sites. We think this is cool! In fact, we're flattered. But since Ubisoft did not create this content, installing any modified files not from Ubisoft breaches our warranty and support policies. In other words, if it breaks the game, we cannot help you fix it.

What Are Dogz?

Dogz are virtual Petz that live on your computer. Dogz scamper across your desktop, play in their home Playscenes, travel and explore faraway Playscenes, and frolic in Playscenes that you make especially for them. Breed them, play with them, feed them, and love them! You can adopt as many Dogz as you want - as long as you take care of them all!

Alert, expressive eyes.

Dogz have a keen sense of smell.

Dogz have fuzzy padded paws for running, digging, and scratching.

Dogz love to be petted.

Tail for balance.

Dogz are little when you first adopt them and grow up over time into adult Dogz!
