INTRODUCTION

It's the first day of term at Hogwarts™ School of Witchcraft and Wizardry and an incredible world of magic is opening up to you. As the gifted young wizard-in-training, Harry Potter™, you must take your first steps into this strange world – a place far away from the humdrum existence of unsuspecting nonmagic folks.

With friends to be made, lessons in Charms, Potions and Defence Against the Dark Arts to be learned and an enormous, ever-changing castle to be explored, you'll need all your wits about you. Especially if you're going to beat the school bully, Draco Malfoy™ and his henchmen, Crabbe and Goyle, avoid the steely gaze of the Potions master, Severus Snape™ and tame a bestiary of magical creatures.

But fear not, with allies such as the lovable Hagrid, the clever Hermione, and the wise headmaster Albus Dumbledore™ on hand, you'll be ready to take on 'You Know Who' before you can say – *Wingardium Leviosa!*

Good luck, young wizard, you're certainly going to need it.

SETTING UP THE GAME

MAIN MENU

Adjust gameplay options.

Begin your adventure, continue a saved adventure or erase an adventure and start a new game.

- Bonus Quidditch matches become available only after you have unlocked the feature in the full game.

Note: Default settings in this manual appear in **bold** type.

STARTING A GAME

TO START A NEW ADVENTURE:

Highlight START GAME, then press the X button. Now choose START NEW GAME. If you want to save your progress to a MEMORY CARD, follow the onscreen instructions to create a save slot (see *MEMORY CARDS* section, below).

- The next time you start the game, you can continue with your previous adventure, if you saved it, erase your progress and start again, begin a new game without saving or use another slot! Just follow the on-screen instructions.

Note: If you're sharing your game and MEMORY CARD with someone else.

Remember to choose a new slot. Otherwise, you might continue their game by accident!

MEMORY CARDS

There's so much to explore at Hogwarts School of Witchcraft and Wizardry, it's difficult to see and do it all in one sitting. Therefore, to get the most out of *Harry Potter and the Philosopher's Stone*, we recommend that you use a MEMORY CARD to save your progress.

- The first time you play, a *Harry Potter and the Philosopher's Stone* save game block is created on your MEMORY CARD. If your MEMORY CARD is new, it will need to be formatted. Follow the on-screen instructions to do this.

PLAYING WITHOUT A MEMORY CARD

If you do not have a MEMORY CARD inserted, a warning screen appears. You do not need a MEMORY CARD to play but if you continue without a MEMORY CARD inserted, you cannot save your progress, which makes finishing the game a rather lengthy process.

GAME SCREEN

You start in the entrance hall where you are met by Albus Dumbledore. Start your adventure by exploring Hogwarts' darkest recesses!

- Use the **L2** and **R2** buttons to alter your viewpoint – this could come in handy in tricky situations.

Tip: Press the **START** button to pause the game and view details.

FAMOUS WITCHES AND WIZARDS CARDS

Famous Witches and Wizards cards are collectibles that you can discover throughout your adventure. Collect them all and win enough House points (see below) and you will be in for a great surprise.

VIEWING YOUR CARD COLLECTION

When you find a card you automatically get an opportunity to view your Famous Witches and Wizards card collection book. If you want to view your collection at other times, you should proceed to Gryffindor™ Tower, approach the Wizard Card Book and press the  button

HOUSE POINTS

As a member of Gryffindor house, you can earn House points in lessons and throughout Hogwarts and the surrounding grounds. At certain times, you will be able to see how you're doing when the Gryffindor and Slytherin House point hourglasses appear. If Slytherin's hourglass has more sand in it, you're in trouble and you'll need to excel if you're to help Gryffindor to clinch the House Cup!

- If you collect enough House points and all the Famous Witches and Wizards cards, you'll have a great surprise in store.

QUIDDITCH

Quidditch is an important part of life at Hogwarts. Not only is it an exciting and skilful sport but it also teaches participants invaluable broomstick-handling skills that may be handy away from the pitch.

- Once Harry has joined the Gryffindor Quidditch team, you can take part in the Quidditch Cup from the Main Menu. This will pit you against progressively harder teams as you progress through the competition.

Note: Before you can ride your broomstick, you must complete the Broomstick Tutorial.

LOCKED DOORS

You cannot open locked doors until you've completed certain tasks or found the proper key. Powerful locks restrict your access to certain areas of the castle. The staff have closed off these areas for student safety, but you may be able to find a way in if you complete the proper task.
