

Hi, everybody! Welcome to Mean Cuisine, a game where you help me (my name's Poo) eat a lot of food! MM-MMM! This game is completely free, which means you don't have to pay a single Earth coin to play! If you like this game and want to play more like it, (as well as see some other fun stuff) go to this special uniform resource locator:

<http://www.classicgaming.com/blackeyesoftware>

Okay, that's it, bye-bye!
