GET READY TO DO THE MONSTER MASH!

Monster Truck Madness 2 delivers eye-popping, pulse-pounding excitement as you slip behind the wheel of some of the biggest and toughest trucks ever to fly across a finish line.

With muscle-bound beasts like Samson and NWO™ Hollywood Hogan, and destruction-bent brutes like Bigfoot and the Stinger, you'll **pummel** and **pulverize** powerful opponents as you race towards the finish line.

Experience the **adrenaline-pumping** starts. Get up and dust yourself off when you blow it on the inside edge. Feel the cab shake as you slam into a competitor, suffer the jarring panic of an uncontrollable skid, risk it all in a rally to the death.

Online racing will never be the same. Battle against your buddies and reach new heights of fun with the Summit Rumbles, where the truck that takes the top earns bragging rights (and points!). **Protect your turf** in a knockdown, drag-out battle to see who is left standing when **THERE CAN BE ONLY ONE.**

STARTING MONSTER TRUCK MADNESS 2

1. Click the **Start** button.
2. Point to **Programs**, point to **Microsoft Games**, and then click **Monster Truck Madness 2**.

Starting a Race Ready, **Set**, **GO!**

1. On the Monster Truck Madness 2 **Start** screen, click **Driver Check-In**.
2. In the **Player Name** box, type or select a name.
3. In the **Skill Level** list, click the skill level you want.
For details on skill levels, see **Monster Manual** (**Help** menu).
4. In the **Select Truck** list, click the truck you want to drive.
5. To choose a track and opponents, click **Races**.
6. In the **Track** list, click the track you want.
7. To change the number of laps for the current race, type the number in the **Laps** box.
8. To change weather or time of day conditions, in the **Weather** list, click the weather you want.
9. To specify which trucks you're racing against, click **Computer Opponents**.
10. When you're ready to race, click **GO**.

Questions? We've got answers!

Whether you're setting up your racing wheel, joystick, hosting a multiplayer race, tweaking your truck in the *Garage*, or looking for tips to make the game run faster, *Monster Manual*, the online help system, has all the answers. Click the **Help** menu, and then click **Monster Manual**.

Monster Truck Web Stop

Check out the *Monster Truck Web Stop* on the World Wide Web for the most up-to-date tips on maximizing your moves in *Monster Truck Madness 2*. Click the **WebPage** button on the game's **Start** screen.

Monster trucks and the information superhighway:
they were made for each other!

THE TRUCKS

Feast your eyes on these big beauties. With 20 trucks to choose from, you're sure to find the perfect machine to match your monster mettle.

[Home](#) [View](#) [Options](#) [Help](#)

A classic beast like Bigfoot
or a 3D WrestleTruck like
Hulkster? Too hard to
choose? **Try 'em all!**

THE TRACKS

Tackle the wildest tracks around with Monster Truck Madness 2! From tropical terrain to terrorizing train tracks, from windblown western landscapes to wide-open ramps, **monstrous** challenges of every shape and size await the hearty adventurer.

Explore the dark side of the monster truck world with exciting night racing. Don't get caught in the **headlights!** For even more four-wheel fun, go "truckin' in a winter wonderland" with **awesome** weather effects.

With wild and woolly multiplayer action, including real-time racing over a LAN, modem, or the Internet Gaming Zone, race to win against opponents from all over the globe. For the pinnacle of **excitement**, wrestle your way to the top in the Summit Rumbles.
