CHECKPOINTS/OBJECTIVES

During your scenic tour of SOUTH PARK, you will notice large numbered, colored checkpoints. If you check the objectives for each race, some will require you to run over these checkpoints to complete a lap. For example, Rally Days #1 asks that you run over 4 checkpoints in numerical order to complete a lap. Additionally, other race objectives require you to pick up or drop off items at checkpoints. Keep this in mind as you race to the finish!

SELECT DUDE

7. OFFICER BARBRADY

8. UNCLE JIMBO

Other cars can be unlocked in Championship. Some by merely winning, others for harder and more daring stunts.

GO ALREADY!

OK...you've chosen a Championship and chosen a car. In Championship, that's all you need to do—the game automatically chooses the track you'll compete on. In all other modes, however, you get to select the track of your choice. In Multiplayer mode, click Right or Left with your mouse to select your track and race. When you're set, click on **START** to begin. In Arcade Mode, use , , or to highlight your objective of choice and then press the or to select it. After that, choose which track you'll race on with or then hit the or to confirm your selection.

CHAMPIONSHIP

Compete against your fellow **SOUTH PARK** natives with love on Valentine's Day! With pride on the Fourth of July! With cleaning products during Spring Cleaning! To help you succeed in your goal, here is an outline of the tasks ahead.

RALLY DAYS #1

This is a race to the finish! Cross all four checkpoints in numerical order. This is counted as a lap. Complete 3 laps to complete this race.

RALLY DAYS #2

Collect the trophy and run! All the other players will be after you in this fast-paced version of tag. Bump or shoot opponents to grab the trophy from them. Cross the 4th checkpoint with trophy in hand and you're the winner!

COW DAYS

Everyone has Mad Cow Disease and there's only enough antidote for one of you! Hold on to the cure until you are disease free to win!

VALENTINE'S DAY

Find the bow and arrow. Shoot your fellow man (or woman) with a love arrow (you'll know they've been shot because their indicator arrow will disappear.) Be the first to shoot them all to come up roses in this event.

SPRING CLEANING

Grab a pair of underpants and cross the checkpoints three times in numerical order. Be warned! There aren't enough undergarments for all of the racers so hold on to your shorts!

READ-A-BOOK DAY

Chicken Lover has been pardoned to promote literacy. While he's out, you must protect the chickens! Collect up to 4 chickens and deposit them at the drop-off point near the Police Station. Bump or shoot opponents to grab their chickens. The first contestant to save 10 chickens rules!

EASTER

The Easter Bunny has dropped **SOUTH PARK'S** eggs all over the mountain. Be the first to collect 20 Easter eggs to win. Luckily, your fellow racers can't steal your eggs in this race!

BIG GAY AL'S BIG GAY PINK LEMONADE

Each table will, randomly, request a glass of that cool refreshing drink. Be the first to deliver your 4 glasses of pink lemonade to the correct table to win.

MEMORIAL DAY

Collect the ultra-sophisticated laser device and charge it up on all four checkpoints. Cross all four of these checkpoints with the laser in-hand to win!

FOURTH OF JULY

Race over the checkpoints in numerical order. When all four checkpoints have been activated, you've completed a lap. The first player to complete 3 laps is the winner!

HALLOWEEN

Grab up to 4 candies at a time and take them to the candy check. Drop-off the most candies before curfew to win!

THANKSGIVING

Yum, yum! Eat 'em up! Collect 20 Thanksgiving turkeys for the poor and ring the bell to attract your well-deserved media attention to win this race. Since this is a charity race, turkeys can't be stolen from other racers.

CHRISTMAS DAY

Find and collect the present. Race to the checkpoint flashing on the screen. The first player to cross checkpoint four with the present after all checkpoints have been crossed in order is the winner.

MILLENNIUM NEW YEAR'S EVE

As foretold by Nostradamus and **THE SOUTH PARK ENQUIRER**, Satan is going to destroy the world on the Millennium New Year's Eve. To achieve this goal, Satan must charge his Dimensional Key for 2 minutes. Grab that key and hold onto it for 2 minutes to win!

ARCADE RACE

Practice your skills as you race with any character, on any track and any objective that you've unlocked in Championship! Hey, we'll give you a break and unlock one track and race more than you've finished in Championship just so you can practice before the big game. And remember, practice makes perfect...or something like that.

MULTIPLAYER

Race your friends in this fast paced multiplayer mode multiplayer mode as well as all scenarios you've unlocked in Championship! When you select "Multiplayer" from the Main Menu, you are presented with the following choices:

LAN GAME Search for a local area network game and race with your friends!

HOST GAME For those who always wanted to be the Grande Fromage, here's your chance.

EXIT Go back to the Main Menu screen.

HOSTING A GAME

1. Click on HOST GAME.
2. You will now be on the Multiplayer Lobby Screen. From here you can select which track and which objective you and your fellow racers will compete on. To change the track/objective, just click on the track or objective icon until you find the one you like! You can also select your Player Name, Character and Color. To change your character or color, just click on the element with your mouse until the character or color of your choice appears. To change your name, highlight your default name with your mouse and type in your new handle!

NOTE: The only objective that can be selected on the "Gridiron" track is "Ass Battle."

3. Wait for your friends to join your game. As they join and make whatever character changes they like, they'll check off a "Ready" box. You'll know when everyone is ready when they have green boxes next to their names.
4. Click "Start" and begin your race! (If at any time you want to leave the Multiplayer Lobby Screen, click on "Exit" or hit the "Escape" key.)

JOINING A GAME

JOINING A LAN GAME

1. Click on LAN Game
2. You will now be on the Multiplayer Lobby Screen. Since you're not the host, you can't change the track or the objective. However, you can change your Player Name, Character and Color. To change your character or color, just click on the element with your mouse until the character or color of your choice appears. To change your name, highlight your default name with your mouse and type in your new handle!
3. When you've set everything up to your satisfaction, click on the red box next to your name. This will indicate to the Host that you are ready!

Sit back and wait for the Host to say "Go!" and then the race is on!

ASS BATTLE

Each player starts with 4 asses floating around their cart. Use Action Items to shoot the ass off of your opponents. Be the last man standing with at least one ass and you're the winner!

ACTION ITEMS

You'll need some help to knock those obviously lacking in the appropriate holiday spirit out of the race. These Action Items may just do the trick!

The Action Items in **SOUTH PARK RALLY** are broken up into different groups. You can tell them apart by their box color. When you pick up a box of a certain color, you get a random gadget.

All Action Items are activated by pressing the **LEFT SHIFT KEY** except for the Terrance Turbo, Weight Gain 4000 and Caffeine which are activated instantly when collected.

YELLOW BOX ITEMS

MR. MACKEY BALLOON HEAD GADGET

This item fires a psychedelic peace sign at the player. If it hits, the player's head expands and they float up above the earth!

BARF

Create a puddle of fun as you watch your opponents slow down to a crawl as they attempt to drive through your splat of sticky goo!

KITTY

Unleash the whirlwind of destruction that is Kitty! When you fire Kitty at your fellow racers, Kitty will home-in and blow them out of the way!

MR. HANKEY

Mr. Hankey will protect you from danger, whether from bad Action Items or items fired at you.

PURPLE BOX ITEMS

ANAL PROBE

The alien anal probe comes out of your driver's rear and fires a tracking laser that makes your opponents sing-a!

DILDO

The dildo is a homing missile that, when fired, will seek out the lead racer and bring them to a screeching halt!

EXPLOSIVE DIARRHEA

Explosive diarrhea has the smallest range of all the mines, but the most punch!

WEIGHT GAIN 4000

This pickup drastically increases the your mass, allowing you to ram through opponents with impunity. Beefcake!

RED BOX ITEMS

CHOCOLATE SALTY BALLS

Are your opponents starting to look like they could use a pick-me-up? Well, let them suck on some Chocolate Salty Balls while you whiz to victory!

RATS

Hitting rats makes the road extremely slippery with a wet, sloppy trail of blood. Dangerous, yes. Funny...yes!

TERRENCE TURBO

Fires immediately on pickup. Just like eating beans!

HERPES

This lovely pick up will win your opponents a date with Frida the hooker (whether they want it or not!). Unfortunately for them, she'll leave them with a fond remembrance of their time together – herpes! Just like in life, herpes is with you to the end and multiple trips with Frida will open multiple red dots.

GREEN BOX ITEMS

CHEESY POOFS

Cheesy Poofs are a bouncing, scattering set of projectiles that explode into a cloud of cheese dust when they strike!

MEXICAN STARING FROG

When deployed, this mine turns all in its vicinity to stone. Players' momentum is locked and they lose control. Use it when someone is hot on your tail!

PHILLIP PHART

You control this gas-powered turbo. Save it for when you need that extra burst to bring up the rear!

UNDERWEAR GNOMES

Underwear Gnomes march out, track their target and collect pickups and action items from opposing players then disappear like magic.

16

17

BLUE BOX ITEMS

WATER BALLOON

The water balloon is a mortar-style projectile that strikes your opponents with a big splash. Hold down the **FIRE BUTTON** for a more powerful shot.

DECOY COW

The decoy cow is a fake cow that, when dropped, looks like all the other cows. Should a racer bump into the said decoy cow, it will rupture, sending the car flying!

CAFFEINE

Automatically zooms your car to blazing speeds in a double cappuccino blitz!

SPARKY THE DOG

When released, Sparky will chase the nearest car, grab on and stop the car cold with animal passion.

ASSORTED ITEMS

SPOOKY-VISION

Spooky-Vision can appear in any box at any time, so beware! Spooky-Vision will bring up a vision of a scary face to block your view and prevent you from seeing the road!

PINKEYE

Pinkeye is the rarest and most powerful of the pick-ups. It turns around all players (except the one who picks it up), reverses their steering, makes their eyes pink and puffy and reduces their reaction time.

HINTS & TIPS

- Place mine pick-ups strategically (i.e., drop the Decoy Cow in with the real cows to really throw your opponents for a loop!).
- There's a Continue Coin on every level of Championship. If you're really low in the rankings, stop trying to win and find the coin...and do better next time!
- You must know the track. Practice going around the map in Arcade Race to find the best route, note where the checkpoints are and practice the jumps.
- Make sure you keep an eye on the map. Pucks (e.g., the trophy in Rally Days #1, the eggs in Easter Rally) tend to spontaneously appear. Try to go for the pucks that don't have any CPU opponents near them as they're quite good at snapping up the prize!
