Welcome to Africa and all its magic - the lion, Sahara desert, and the jungle. Guided by the little WWF Panda you will be able to walk around the plains, mountains and forests of Africa to help the endangered species. Select your character - either Alex or Emma - then let the adventure commence.

Throughout your journey around Africa, you will meet a whole host of animals who will become your friends. Unfortunately you will also meet meanies like Mr Mank or selfish oafs like Mr Rashburn.

Fortunately the ranger is there to help you understand Africa and take your first steps around the huge continent.

Now, you are ready. Take your camera and set out to save the animals.
