Installation & Setup

Autoplay

If the Windows® Autoplay feature is enabled on your computer, the splash screen will begin when you insert *X-Men™: The Official Game* DVD into your DVD-ROM drive. On the splash screen, press Install and follow the on-screen instructions to continue the installation.

Note: X-Men: The Official Game DVD functions as the CD key. You must have the DVD in your DVD-ROM drive to play the game.

If the Autoplay feature is disabled, you can begin the installation by doing the following:

- a. Go to the Start Menu and select **Run**.
- b. Type D:\SETUP.EXE (assuming D is your DVD-ROM drive letter) and press **Enter**.
- or-
- a. Double-click on **My Computer**.
- b. Double-click your **DVD-ROM drive** icon.
- c. Double-click on **SETUP.EXE**.

DirectX® & Installation

If you do not have DirectX® 9.0c, you will have the option to install it on your computer. It is recommended that you choose to update to the newest version of DirectX®. If you already have other Windows® 2000/XP games on your computer, chances are you already have a version of DirectX® installed. In this case, the Microsoft installer will detect and overwrite any previous versions with DirectX® 9.0c. At that point, you will need to restart your computer for the changes to take effect. If, however, you already have DirectX® 9.0c installed on your computer, the Microsoft® DirectX® 9.0c installer will detect it and not overwrite any files. You will not need to restart your computer after installation in order to run *X-Men: The Official Game*.

If you choose not to install DirectX® 9.0c when you install the game, you can manually install it later. To do so, use the following instructions:

1. Place your *X-Men: The Official Game* disc in the DVD-ROM drive. The Launch screen should appear. (See the Autoplay section on page 2 if it does not appear.)
2. Click on the **Extras** button.
3. Click on **DirectX®** and follow the installation process. When DirectX® installation finishes, you will need to restart your computer for the new drivers to work.

If you encounter the following error message, then you have tried to start the game without the correct version of DirectX® installed on your computer:

“DirectX® 9.0c is not installed on this computer. Install it and try again.”

You will need to follow the directions above to install DirectX® before starting the game.

Basic Mouse Controls

Menus

- Use your left-click, right-click and wheel buttons.
- Selection text at the bottom of the screen can be clicked on to activate a function when no menu can perform the action.

Note: Mouse controls refer to menu navigation only. In-game actions are performed using either the keyboard or a connected gamepad controller.

Configuring Gamepad Controls

You can use your USB gamepad to play *X-Men: The Official Game*. Simply insert your gamepad into an available USB port and go to the Advanced Options menu. You can bind your controls, as desired, for an optimal playing experience.

X-Men: The Official Game requires a gamepad with 10 or more buttons, including an analog stick and/or D-pad.

Welcome, Professor...

Colonel William Stryker,[™] in a daring raid on the Xavier School for Gifted Youngsters, acquired two core components of Cerebro, the X-Men's Mutant Tracking and their Identification System, as well as taking hostage a handful of the student body. With these components Stryker was able to create a crude but working version of Cerebro, for his own dark purposes. A combined strike force consisting of the X-Men[™] and the Brotherhood[™] were able to retrieve the kidnapped children, and halt Stryker's plans in the offing. This victory was not without its price, as the X-Men were forced to pay in the most precious coin of all. Friend, teacher, colleague and more, Jean Grey sacrificed her life so the X-Men could escape and carry on Charles Xavier's dream of peaceful co-existence between human- and mutant-kind.

Now, the X-Men must journey back to Alkali Lake for the missing Cerebro components. What they find there will shock them to their core. Ghosts from the past are still very much alive, and it's business as usual at Alkali Lake. The X-Men will soon discover that the facility itself isn't the only thing seemingly resurrected from the dead...

As the battle lines are once again drawn among the X-Men, the Brotherhood and all mankind learn why Nightcrawler[™] doesn't stand with his new allies on the eve of their darkest hour. Experience epic Super Hero[™] action, interconnecting storylines, fierce enemy battles and a climactic ending that sets the stage for the earth-shattering events in *X-Men: The Last Stand*.

The hunt begins by creating a user profile to save your game progress. Type in a name using the keyboard, and press **Enter** when you've completed your desired profile name.

Main Menu

New Game – Start a new game.

Options – Change the variety of options, including sound, controller options and video.

Cerebro Files – View unlocked special features, such as the Danger Room missions.

Credits – Access the credits of the game.

Load Game

To load a pre-existing profile, highlight **Load Profile**, press **Enter** on your keyboard, then select your desired profile from the list provided.

Save Game

If you wish to save, you will be prompted to do so after the completion of every level or after any of the game's options are changed.

Note: If you Quit during a level, you will lose all gameplay data on your current level.

Selecting a Mission

Once you've created a profile, you can select your plan of attack. The strategy you select should be equal to your skill as a combatant and should reflect your mastery of your mutant ability. Novice, Hero and Super Hero difficulty settings are available at your discretion. Some missions allow you to pick a specific X-Man, as well. Choose wisely, as you will not be able to switch your plan of attack once you've begun the game. In order to change strategies, a new game profile will have to be created.

Pause Menu

Press **ESC** to access the Pause menu. In addition to taking a break from the action, the Pause menu allows you to access additional controls, such as:

Continue – Return to current level and resume gameplay.

Restart – Restart the current level.

Options – View your current controller setup or change the game setup.

Quit – Quit the current level and return to Mission Selection.

Use the different directions on the keyboard and **Enter** to highlight and select options.

Options

Change many of the game settings and customize your gameplay experience in the following ways:

Gameplay – Toggle vibration, X-Axis, Y-Axis, Autosave and controller functions on/off or invert.

Character – Change costumes and review unlocked combo moves for each playable X-Man.

Video – Alter video settings like Brightness or Widescreen format. You can also use subtitle controls for both movies and in-game.

Audio – Raise or lower the music, sound F/X (SFX) and voice. You can also toggle sound from mono to stereo, and from stereo to 3D sound.

Advanced Video Options – Resolution, multi-sampling, fog distance and in-game.

The Cerebro Files (Unlockables)

For the most ferocious, stealthiest or coolest of X-Men, rewards await you in the Cerebro Files. Unlock each of the Cerebro Files by finding hidden Sentinel Tech and Weapon X files while on your mission.

On-Screen Display Icons

1. **Mutant in Play** – In case you're not sure, this icon indicates which mutant (Wolverine, Nightcrawler or Iceman) you are currently controlling.

Meters

2. **Health Meter** – The Health Meter shows your health status. The meter drains as you take damage and fills up as your health regenerates. The meter functions differently, however, depending on your character.
3. **Fury Meter (Wolverine)** – As Wolverine, the more you attack successfully, the faster the meter fills up. Once the meter is full, press the ; (semicolon) key to activate Fury mode and unleash devastating attack combos against your enemies.

Aura Cooldown Meter (Nightcrawler) – When this meter is full, press the ; (semicolon) key to activate the Shadow Aura, which allows Nightcrawler to heal himself.

Boost Meter (Iceman) – Unlike with the other two characters, this meter decreases as Iceman slows down. If Iceman is not moving fast enough, he'll become unable to attack.

4. **Mini-Map** – The Mini-Map will help keep you on track and out of trouble, pointing out the locations of both enemies and objectives in the immediate area.
5. **Allies** – You'll often be aided by one or more of your fellow X-Men. When this happens, their Health and Mutant Upgrade Meters will be displayed in the lower left-hand corner of the screen. Be aware of your teammate's stats, not only are they a fellow mutant, but they're critical to the success of your mission!
6. **Sentinel Tech & Weapon X Files** – As you progress through the game, you will encounter a number of collectible icons throughout the various levels. These icons will either individually (Weapon X) or collectively (Sentinel Tech) unlock special items in the Cerebro Files, such as new Costumes and Danger Room Levels. Check any breakable objects, look behind objects and in out of the way locations.

Mutant Evolution

Based on the level of difficulty each mission is played at, different amounts of mutations are rewarded at the end of the missions. If any mutations are acquired, then you're given access to the Gene Alteration screen. Here, select your preferred mutation and continue to the next mission. If you make a mistake, you can de-select the mutation.

Wolverine: Health, Strength, Blocking, Healing Factor and Fury.

Nightcrawler: Health, Brawling, Precision, Relocation and Shadow Aura.

Iceman: Health, Ice Beam, Hailstorm, Ice Healing and Balance.

Gameplay Tips

Wolverine can be very effective at knocking back large numbers of enemies by using his area attack. This attack doesn't inflict a great deal of damage, but it's invaluable when fighting large groups of enemies at one time.

If Wolverine is being attacked by long-range shooters, he can activate his Fury mode and perform a lunge move by pressing the **Jump** key. This allows Wolverine to essentially jump across the room and eliminate enemies who are attacking him from a distance.

Nightcrawler's best ability is teleportation. Don't be afraid to back off from an enemy just to use another teleportation attack!

Be sure to vary Iceman's attacks. He is more effective when using his Hailstorm attacks in conjunction with his Ice Beam attacks.

Wolverine can be very efficient at evading enemies by performing a roll. Pressing **Block + any direction key** allows Wolverine to roll in whichever direction is pressed, providing a useful tool when being attacked by large groups of enemies.

Product License Agreement

IMPORTANT - READ CAREFULLY: USE OF THIS PROGRAM IS SUBJECT TO THE SOFTWARE LICENSE TERMS SET FORTH BELOW. "PROGRAM" INCLUDES ALL SOFTWARE INCLUDED WITH THIS AGREEMENT, THE ASSOCIATED MEDIA, ANY PRINTED MATERIALS, AND ANY ONLINE OR ELECTRONIC DOCUMENTATION, AND ANY AND ALL COPIES OF SUCH SOFTWARE AND MATERIALS. BY OPENING THIS PACKAGE, INSTALLING, AND/OR USING THE PROGRAM AND ANY SOFTWARE PROGRAMS INCLUDED WITHIN, YOU ACCEPT THE TERMS OF THIS LICENSE WITH ACTIVISION PUBLISHING, INC. AND ITS AFFILIATES ("ACTIVISION").

LIMITED USE LICENSE. Subject to the conditions described below, Activision grants you the non-exclusive, non-transferable, limited right and license to install and use one copy of this Program solely and exclusively for your personal use. All rights not specifically granted under this Agreement are reserved by Activision and, as applicable, Activision's licensors. This Program is licensed, not sold, for your use. Your license confers no title or ownership in this Program and should not be construed as a sale of any rights in this Program. This Software License Agreement shall also apply to any patches or updates you may obtain for the Program.

LICENSE CONDITIONS.

You shall not:

- Exploit this Program or any of its parts commercially, including but not limited to use at a cyber cafe, computer gaming center or any other location-based site. Activision may offer a separate Site License Agreement to permit you to make this Program available for commercial use; see the contact information below.
- Use this Program, or permit use of this Program, on more than one computer, computer terminal, or workstation at the same time.
- Make copies of this Program or any part thereof, or make copies of the materials accompanying this Program.
- Copy this Program onto a hard drive or other storage device; you must run this Program from the included CD ROM (although this Program itself may automatically copy a portion of this Program onto your hard drive during installation in order to run more efficiently).
- Use the program, or permit use of this Program, in a network, multi-user arrangement or remote access arrangement, including any online use, except as otherwise explicitly provided by this Program.
- Sell, rent, lease, license, distribute or otherwise transfer this Program, or any copies of this Program, without the express prior written consent of Activision.
- Reverse engineer, derive source code, modify, decompile, disassemble, or create derivative works of this Program, in whole or in part.
- Remove, disable or circumvent any proprietary notices or labels contained on or within the Program.
- Export or re-export this Program or any copy or adaptation in violation of any applicable laws or regulations of the United States government.

OWNERSHIP. All title, ownership rights and intellectual property rights in and to this Program (including but not limited to any patches and updates) and any and all copies thereof (including but not limited to any titles, computer code, themes, objects, characters, character names, stories, dialog, catch phrases, locations, concepts, artwork, animation, sounds, musical compositions, audio-visual effects, methods of operation, moral rights, any related documentation, and "applets" incorporated into this Program) are owned by Activision, affiliates of Activision or Activision's licensors. This Program is protected by the copyright laws of the United States, international copyright treaties and conventions and other laws. This Program contains certain licensed materials and Activision's licensors may protect their rights in the event of any violation of this Agreement.

PROGRAM UTILITIES. This Program may contain certain design, programming and processing utilities, tools, assets and other resources ("Program Utilities") for use with this Program that allow you to create customized new game levels and other related game materials for personal use in connection with the Program ("New Game Materials"). The use of any Program Utilities is subject to the following additional license restrictions:

- You agree that, as a condition to your using the Program Utilities, you will not use or allow third parties to use the Program Utilities and the New Game Materials created by you for any commercial purposes, including but not limited to selling, renting, leasing, licensing, distributing, or otherwise transferring the ownership of such New Game Materials, whether on a stand alone basis or packaged in combination with the New Game Materials created by others, through any and all distribution channels, including, without limitation, retail sales and on-line electronic distribution. You agree not to solicit, initiate or encourage any proposal or offer from any person or entity to create any New Game Materials for commercial distribution. You agree to promptly inform Activision in writing of any instances of your receipt of any such proposal or offer.

- If you decide to make available the use of the New Game Materials created by you to other gamers, you agree to do so solely without charge.
- New Game Materials shall not contain modifications to any COM, EXE or DLL files or to any other executable Product files.
- New Game Materials may be created only if such New Game Materials can be used exclusively in combination with the retail version of the Program. New Game Materials may not be designed to be used as a stand-alone product.
- New Game Materials must not contain any illegal, obscene or defamatory materials, materials that infringe rights of privacy and publicity of third parties or (without appropriate irrevocable licenses granted specifically for that purpose) any trademarks, copyright-protected works or other properties of third parties.
- All New Game Materials must contain prominent identification at least in any on-line description and with reasonable duration on the opening screen: (a) the name and E-mail address of the New Game Materials' creator(s) and (b) the words "THIS MATERIAL IS NOT MADE OR SUPPORTED BY ACTIVISION."
- All New Game Materials created by you shall be exclusively owned by Activision and/or its licensors as a derivative work (as such term is described under U.S. copyright law) of the Program and Activision and its licensors may use any New Game Materials made publicly available by you for any purpose whatsoever, including but not limited to, for purpose of advertising and promoting the Program.

LIMITED WARRANTY: Excepting patches, updates and any downloaded content, Activision warrants to the original consumer purchaser of this Program that the recording medium on which the Program is recorded will be free from defects in material and workmanship for 90 days from the date of purchase. If the recording medium is found defective within 90 days of original purchase, Activision agrees to replace, free of charge, any product discovered to be defective within such period upon its receipt of the Product, postage paid, with proof of the date of purchase, as long as the Program is still being manufactured by Activision. In the event that the Program is no longer available, Activision retains the right to substitute a similar program of equal or greater value. This warranty is limited to the recording medium containing the Program as originally provided by Activision and is not applicable to normal wear and tear. This warranty shall not be applicable and shall be void if the defect has arisen through abuse, mistreatment, or neglect. Any implied warranties prescribed by statute are expressly limited to the 90-day period described above.

EXCEPT AS SET FORTH ABOVE, THIS WARRANTY IS IN LIEU OF ALL OTHER WARRANTIES, WHETHER ORAL OR WRITTEN, EXPRESS OR IMPLIED, INCLUDING ANY WARRANTY OF MERCHANTABILITY, FITNESS FOR A PARTICULAR PURPOSE OR NON-INFRINGEMENT, AND NO OTHER REPRESENTATIONS OR CLAIMS OF ANY KIND SHALL BE BINDING ON OR OBLIGATE ACTIVISION. WILL ACTIVISION BE LIABLE FOR SPECIAL, INCIDENTAL, OR CONSEQUENTIAL DAMAGE RESULTING FROM POSSESSION, USE OR MALFUNCTION OF THIS PRODUCT, INCLUDING DAMAGE TO PROPERTY AND, TO THE EXTENT PERMITTED BY LAW, DAMAGES FOR PERSONAL INJURY, EVEN IF ACTIVISION HAS BEEN ADVISED OF THE POSSIBILITY OF SUCH DAMAGES. SOME STATES DO NOT ALLOW LIMITATIONS ON HOW LONG AN IMPLIED WARRANTY LASTS AND/OR THE EXCLUSION OR LIMITATION OF INCIDENTAL OR CONSEQUENTIAL DAMAGES, SO THE ABOVE LIMITATIONS AND/OR EXCLUSION OR LIMITATION OF LIABILITY MAY NOT APPLY TO YOU. THIS WARRANTY GIVES YOU SPECIFIC LEGAL RIGHTS, AND YOU MAY HAVE OTHER RIGHTS WHICH VARY FROM STATE TO STATE.

Please refer to Warranty procedures relating to your country of residence from the lists below.

3. A brief note describing the defect, the problem(s) you encountered and the system on which you are running the software product.
4. Please include a cheque or money order for AUD \$20 per CD or AUD \$25 per DVD replacement (subject to availability).

LIMITATION ON DAMAGES: IN NO EVENT WILL ACTIVISION BE LIABLE FOR SPECIAL, INCIDENTAL OR CONSEQUENTIAL DAMAGES RESULTING FROM POSSESSION, USE OR MALFUNCTION OF THE PROGRAM, INCLUDING DAMAGES TO PROPERTY, LOSS OF GOODWILL, COMPUTER FAILURE OR MALFUNCTION AND, TO THE EXTENT PERMITTED BY LAW, DAMAGES FOR PERSONAL INJURIES, EVEN IF ACTIVISION HAS BEEN ADVISED OF THE POSSIBILITY OF SUCH DAMAGES. ACTIVISION'S LIABILITY SHALL NOT EXCEED THE ACTUAL PRICE PAID FOR THE LICENSE TO USE THIS PROGRAM. SOME STATES/COUNTRIES DO NOT ALLOW LIMITATIONS ON HOW LONG AN IMPLIED WARRANTY LASTS AND/OR THE EXCLUSION OR LIMITATION OF INCIDENTAL OR CONSEQUENTIAL DAMAGES, SO THE ABOVE LIMITATIONS AND/OR EXCLUSION OR LIMITATION OF LIABILITY MAY NOT APPLY TO YOU. THIS WARRANTY GIVES YOU SPECIFIC LEGAL RIGHTS, AND YOU MAY HAVE OTHER RIGHTS WHICH VARY FROM JURISDICTION TO JURISDICTION.

TERMINATION: Without prejudice to any other rights of Activision, this Agreement will terminate automatically if you fail to comply with its terms and conditions. In such event, you must destroy all copies of this Program and all of its component parts.

U.S. GOVERNMENT RESTRICTED RIGHTS: The Program and documentation have been developed entirely at private expense and are provided as "Commercial Computer Software" or "restricted computer software." Use, duplication or disclosure by the U.S. Government or a U.S. Government subcontractor is subject to the restrictions set forth in subparagraph (c)(1)(ii) of the Rights in Technical Data and Computer Software clauses in DFARS 252.227-7013 or as set forth in subparagraph (c)(1) and (2) of the Commercial Computer Software Restricted Rights clauses at FAR 52.227-19, as applicable. The Contractor/Manufacturer is Activision, Inc., 3100 Ocean Park Boulevard, Santa Monica, California 90405.

INJUNCTION: Because Activision would be irreparably damaged if the terms of this Agreement were not specifically enforced, you agree that Activision shall be entitled, without bond, other security or proof of damages, to appropriate equitable remedies with respect to breaches of this Agreement, in addition to such other remedies as Activision may otherwise have under applicable laws.

INDEMNITY: You agree to indemnify, defend and hold Activision, its partners, affiliates, licensors, contractors, officers, directors, employees and agents harmless from all damages, losses and expenses arising directly or indirectly from your acts and omissions to act in using the Product pursuant to the terms of this Agreement.

MISCELLANEOUS: This Agreement represents the complete agreement concerning this license between the parties and supersedes all prior agreements and representations between them. It may be amended only by a writing executed by both parties. If any provision of this Agreement is held to be unenforceable for any reason, such provision shall be reformed only to the extent necessary to make it enforceable and the remaining provisions of this Agreement shall not be affected. This Agreement shall be construed under California law as such law is applied to agreements between California residents entered into and to be performed within California, except as governed by federal law and you consent to the exclusive jurisdiction of the state and federal courts in Los Angeles, California.

If you have any questions concerning this license, you may contact Activision at 3100 Ocean Park Boulevard, Santa Monica, California 90405, USA, (310) 255-2000, Attn. Business and Legal Affairs, legallaffairs@activision.com.

Customer Support

Before contacting customer support, please consult the technical help file. It contains the answers to some of our most frequently asked questions and may quickly and easily provide a solution to your difficulty. If after reviewing the technical help file you are still experiencing problems, please feel free to contact us through any of the online services listed.

In order to assist us when dealing with your difficulty, please have the following information ready when you call or attach it to your email to support@activision.co.uk.

Complete product title.

Exact error message reported (if any) and a brief description of the problem.

A copy of your Direct X Diagnostics report. To access this go to Start → Run and type dxdiag c:\dxdiag.txt and press ENTER. The report will be found in your My Computer C: drive.

If you are experiencing difficulty with the multiplayer or online portion of the product, please assist us by having the following additional information ready when you call.

If you are using a modem:

What kind of modem is on each end (brand, model, speed, internal or external)?

Do you have more than one modem?

On which port is each configured?

Does Hyperterminal (or any other terminal program) work with your modem? This is an easy way to test whether or not your modem is configured correctly.

At what speed are you connecting?

Have you made sure data compression, error detection, and flow control is turned OFF? Refer to your modem's manual to do this.

If using an external modem:

What kind of serial card is being used?

Do you have a seven-wire serial cable?

If you are on a LAN:

Can you see other computers on the network?

What is your network configuration?

What brand of network card do you have?

What network software are you running? What version number?
